Why choose us?

Alpatron Marine Systems has a wide variety of resources available to tackle your service needs in the most efficient way 24 hours per day 7 days a week. Depending on the complexity of your service, vessel's location and technicians' availability, we choose the best service solution available in our region of responsibility. This includes our own technical support department for those calls where FTF is critical for vessel's operation. Our target is to satisfy your service needs with a one-stop-shopping concept for JRC/Alpatron Marine products but also other manufactures equipment. As a JRC/Alpatron Marine regional service head office we offer manufacturer

granted quality including JRC / Alpatron Marine official warranty service. Because we are a 100% subsidiary of JRC all our engineers and service coordinators are fully trained in our facilities at the factory and Marine Service Department in Japan. We have the best JRC factory trained engineers available 24/7 and JRC's First Aid Kit (FAK) containing a full set of spares covering the widest range of old and new JRC products. As a result, we are proud to present the highest JRC FTF scores in our area matched with competitive rates for annual certifications on Radio and APT surveys. We know JRC / Alpatron Marine services like no one else.
